## ABOUT US

OM INTRA is a leading provider of Design & Build Projects with integrated MEP services, offering end-to-end solutions from designing and sourcing to installation and maintenance.

Since 2012, we have been the preferred partner for renowned clients across multiple sectors. With extensive industry knowledge, strong technical expertise, and an unwavering commitment to quality, we deliver cutting-edge total MEP solutions that ensure efficient system performance and long-term project success.

We invite you to explore our journey of excellence—built on trust, innovation, and performance.

# MISSION STATEMENT

To seamlessly design, construct, and maintain high-performing environments through disciplined execution, innovative thinking, and unwavering integrity—delivering enduring value and measurable success for our clients.

**OM iNTRA**  
PIONEERING YOUR TOMORROW

# VISION STATEMENT

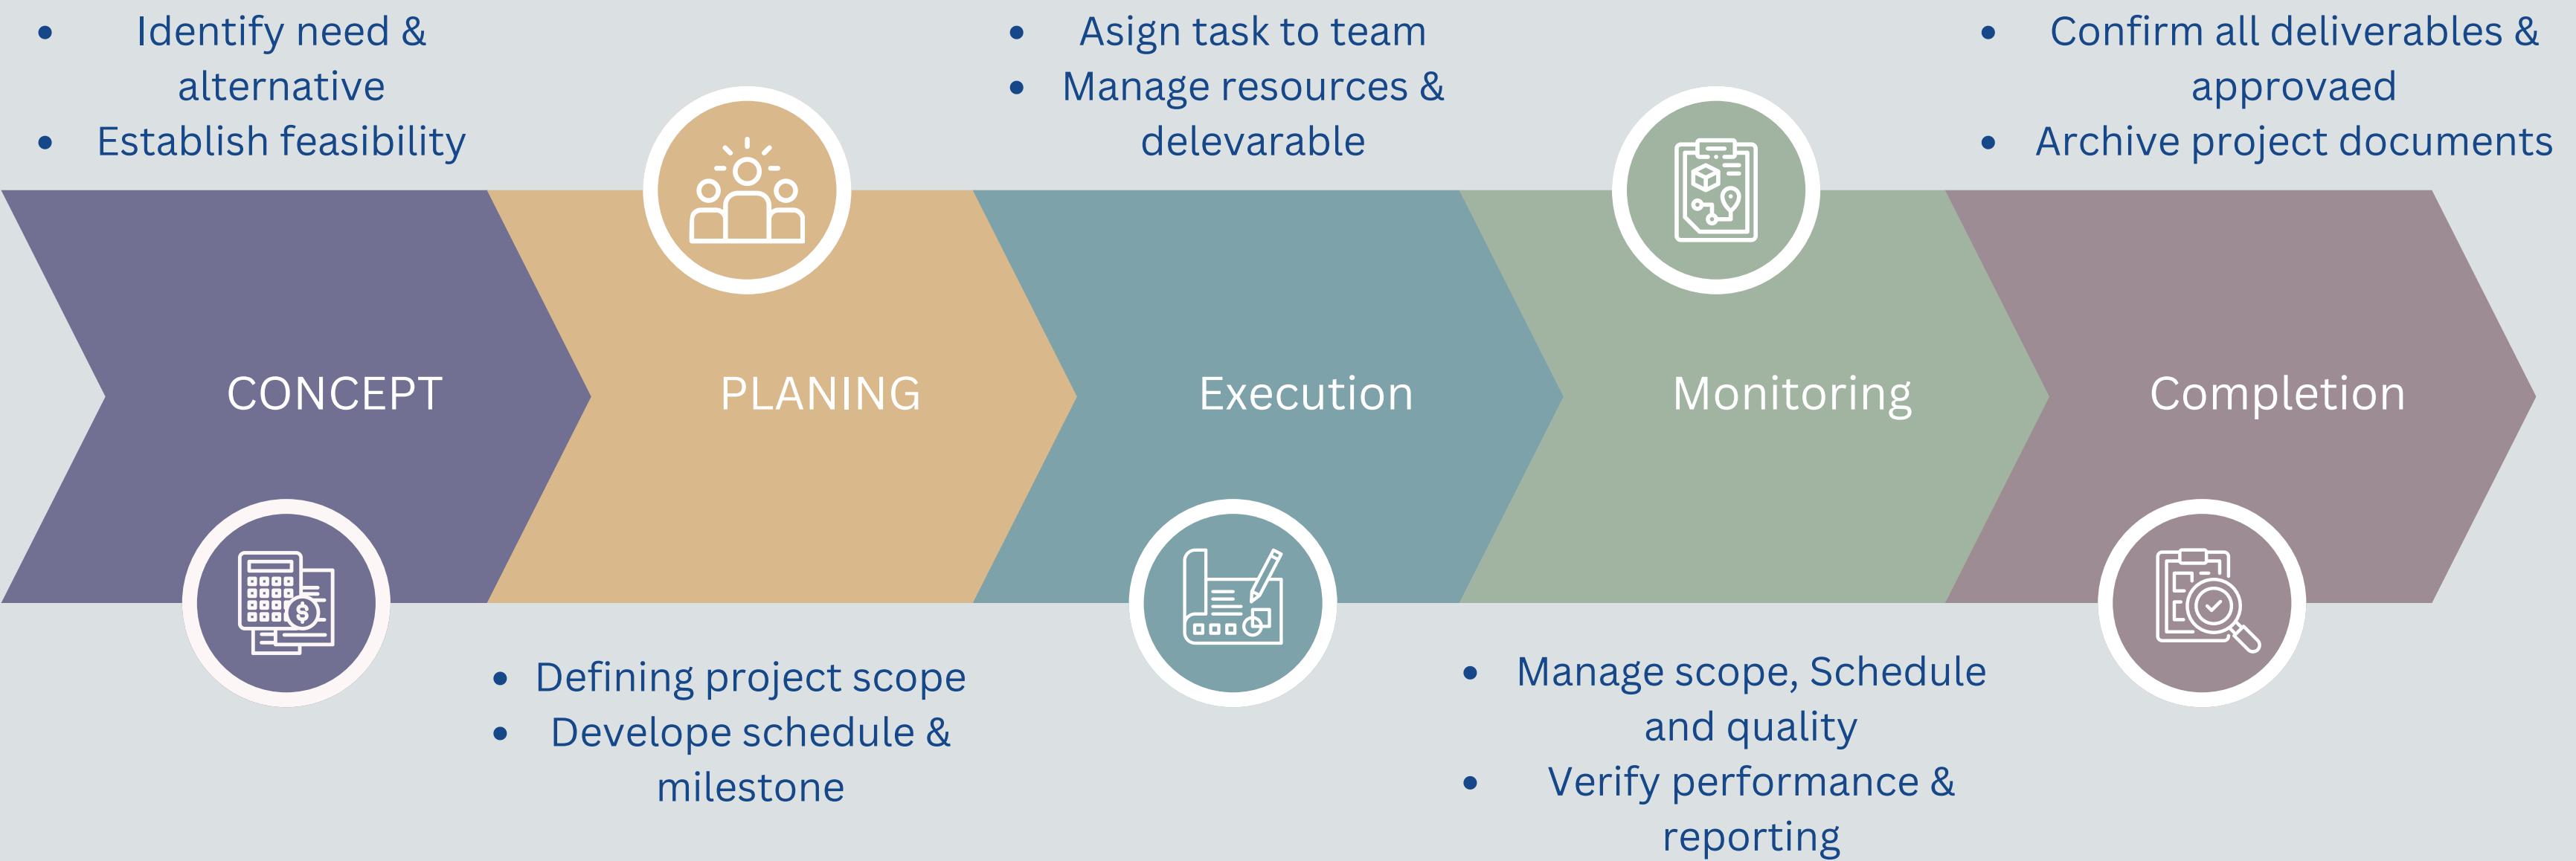

To be a globally recognized leader in integrated design, build, and maintenance solutions—setting benchmarks for quality, innovation, and long-term value.

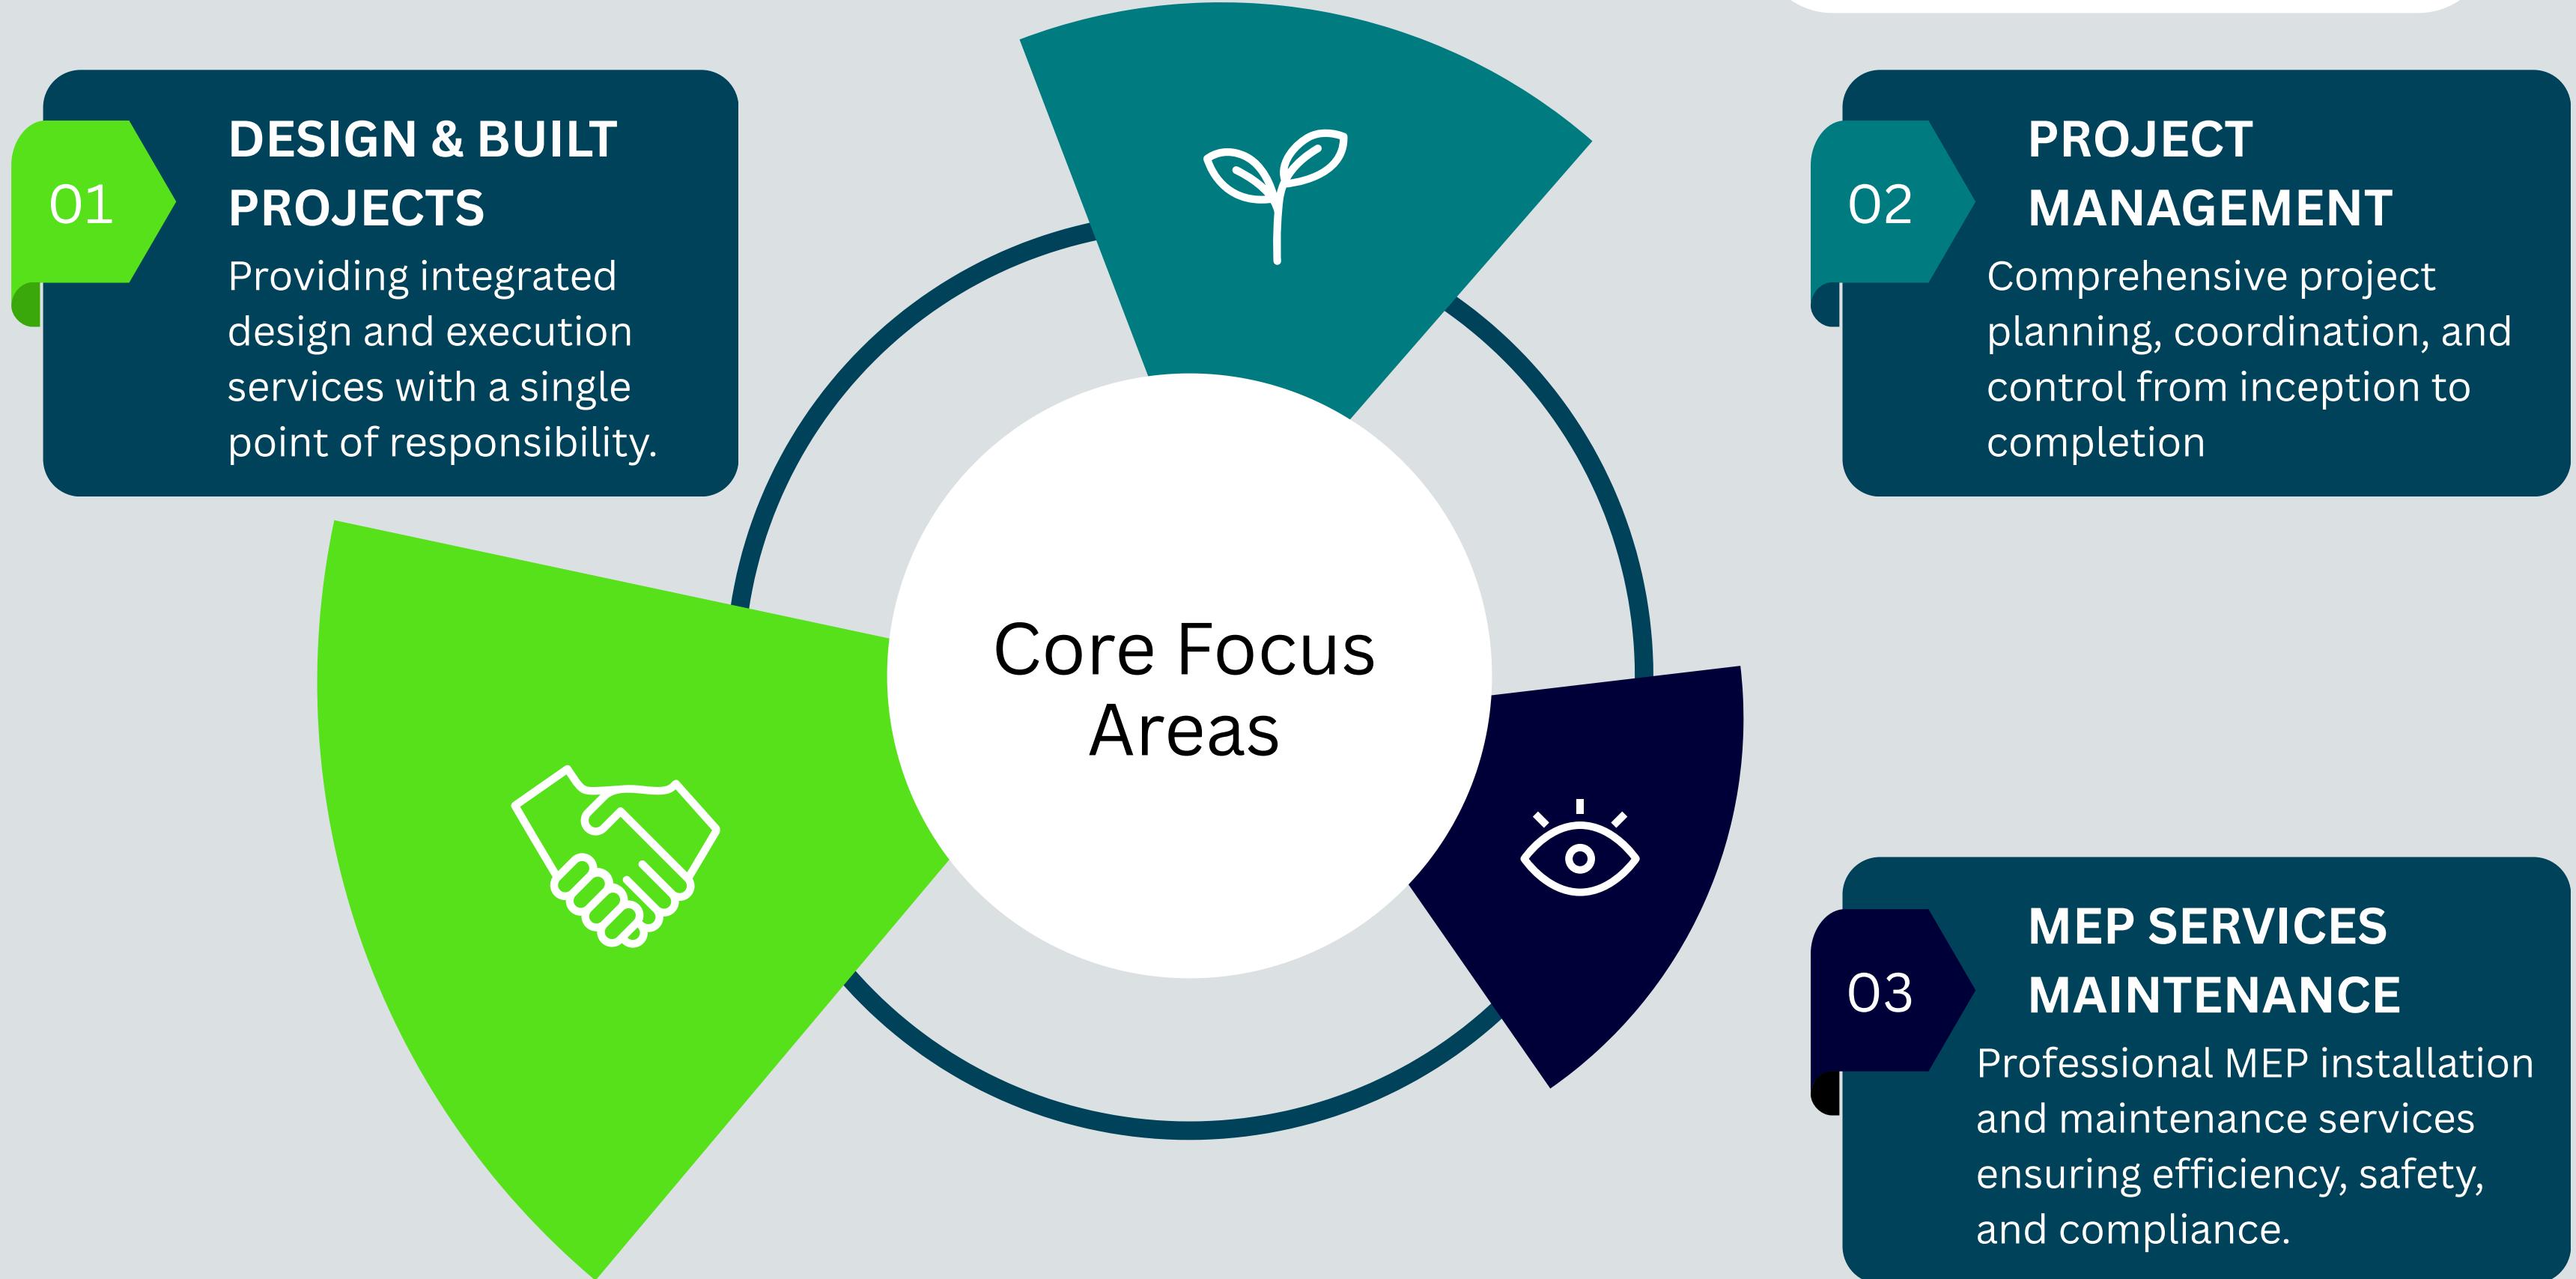

## OUR INVOLVEMENT & AREA OF EXPERTISE

We provide comprehensive solutions across the full project lifecycle—from concept and design through construction, commissioning, and long-term maintenance.

Our goal is to transform spaces into functional, aesthetic, and eco-friendly environments.
